**COAT DRIVE HELPS THE NEEDY OF PERTH AMBOY AND  
SURROUNDING COMMUNITIES STAY WARM**

*Warming the Needy...One Coat at a Time*

**Perth Amboy, N.J. (November 8, 2011)** – The need has never been greater and it's never been easier to make a difference in Perth Amboy and surrounding Middlesex County communities. Here is your opportunity to make sure that nobody goes without such a basic necessity as a coat this winter.

The Puerto Rican Association for Human Development, Inc. (PRAHD) and Environmental Strategies & Applications, Inc. are collecting clean, gently used coats and jackets as part of the One Warm Coat community service project now through December 15th. Coats of all shapes and sizes are welcome. One Warm Coat is dedicated to distributing reusable coats, free of charge, directly to local children and adults. The program is an easy way for you and your family to pass along coats and jackets that you no longer need.

Making a donation of a coat is simple. Just bring your clean, gently used coats and jackets to one of the two convenient drop-off locations during normal business hours. All donated coats will be given to the needy in Perth Amboy and the surrounding communities.

Drop off locations are:

Puerto Rican Association for Human Development,  
Inc.  
100 First Street  
Perth Amboy, New Jersey  
732-442-1081

Environmental Strategies & Applications, Inc  
495 Union Avenue, Suite 1D  
Middlesex, NJ  
732-469-8888

**About the Puerto Rican Association for Human Development, Inc. (PRAHD):**

PRAHD is dedicated to serving the needs of the residents of Middlesex County, NJ, by developing human potential and promoting self sufficiency through the implementation and operation of programs designed to improve the social, economic, health and educational status of our community through the provision of appropriate services and leadership.

**About One Warm Coat:**

One Warm Coat is national non-profit organization that supports and encourages coat drives. It helps individuals, groups, companies and organizations across the country collect coats and deliver them to local

agencies that distribute the free coats to people in need. More than one million coats have been provided to those in need at no cost since its inception in 1992.

**About Environmental Strategies & Applications Inc.:**

Founded in August 1989 by Stephen E. Fauer, Environmental Strategies & Applications, Inc. (ESA) is an environmental consulting and site remediation firm based in Middlesex, NJ. ESA has served more than 1,000 different clients in the Tri-State Area by providing cost-effective, timely and practical solutions to their environmental issues.
